In November 2018, Guangzhou Xianyou Intelligent Technology Co., Ltd. officially joined the Aiwa Global Group board member. More than just a subcontracted manufacturer, Xianyou Intelligent Technology Co., Ltd. provides professional expertise in the area of research, development, manufacturing as well as sales and operations on Aiwa' s display product categories; televisions, computer monitors and projectors etc.

The strict management system of the Japanese Aiwa Group is deeply embraced by all of its global partners; including Guangzhou Xianyou Intelligent Technology Co., Ltd.

“Re-defining Value” is Aiwa' s product DNA. Delivering high-quality yet affordable products to the masses is the core value of the Aiwa brand. Guangzhou Xianyou Intelligent Technology Co., Ltd. is currently among the ranks of this relentless force, upholding the brand name with utmost professionalism and honesty.

The Aiwa brand name has been established for 69 years as of today and it has had its ups and downs.

And we are back to start a new era. Stronger than ever.
